ONLINE PUBLIC MEETING PROTOCOL

The April Cross-Sector Workshop on “Siting of New Power Generation and Energy Infrastructure” will be accessible to the public, and the public is invited to attend virtually. The workshop will be livestreamed through the Climate Initiatives Task Force YouTube page at this link: https://www.youtube.com/channel/UC_RG7izvA31bgmzhB_Gs5Qg?view_as=subscriber, and public comments will be accepted at the end of the meeting via the Zoom Webinar platform or climate@la.gov. If submitting comment by email, you must include reference to the “Siting of New Power Generation and Energy Infrastructure” Workshop and the agenda item number. The body of your message should include your name and address before you comment. If submitting a comment by the Zoom Webinar, you will be unmuted at the appropriate time to voice your comment.
